

## SPONSORSHIP APPLICATION

We appreciate your interest in RescueGroups.org's sponsorship program. Our sponsorship program is designed to make our services more affordable for organizations with very limited budgets, specifically ones that truly can't afford our services.

If your organization can afford \$75-\$100/year for our services, you shouldn't apply for our sponsorship program.

Sponsorship applications are approved at the discretion of the RescueGroups.org Board of Directors. In order to assist the Board in its decision making process, we ask that your organization provide some information and documentation, as necessary.

Sponsorships are approved for one year of service. A sponsorship application will be required for each year of service.

Please complete the application form below (provide current financial information), and attach all of the following items.

Please check the box below for each item as it is collected and attached to the application. All items are required to process your application, or an explanation as to why it cannot be included.
